SPOTLIGHT STAR

This month, our **Star of the Month is Jaiden!** He has developed a real passion for creative drawing, exploring new ways to use computers for art, and bringing his imagination to life.

Jaiden is not only talented but also friendly and supportive, always happy to help his peers. We're proud of his creativity, kindness, and positive attitude.

He's a superstar both in **creativity and kindness**. Well done, **Jaiden!**

GCSE SUCCESS

Huge **congratulations** to our amazing students on smashing their **GCSEs!** Your hard work and determination have paid off, and we couldn't be prouder.

A special thank you to our incredible **teachers – true superheroes** whose dedication, commitment and patience made all the difference.

With a new academic year comes fresh opportunities! We're welcoming new students to the **Raising Explorers** family, whether you're aiming higher, catching up, or just need **extra support.**

HOMEWORK SUPPORT

This academic year, our dedicated staff are here to support your child with both online learning and **paper-based homework or revision.** Whether it's general topic support or focused help at Primary or Secondary level, we make learning engaging and **stress-free.**

For the book lovers, our cosy Library is the perfect place to dive into stories and boost reading skills.

That's not all – we also offer:

✅ Academic support for Primary & Secondary
🎨 Arts, crafts, baking & play
⚽ Sports with FA-approved coaches
Learning, fun, and growth — all under one roof!

BACK TO SCHOOL

What an incredible summer it's been at Raising Explorers! Our children had an absolute blast during this year's **Summer Holiday Club** — filled with fun activities, learning, and lasting memories. After such a fulfilling break, they've bounced back into school life full of energy and excitement.

Our **Academic Tuition Service** is also back in action, supporting children in everything from core subjects to exam prep like SATs and **GCSEs**. Here's to a successful school year ahead!

NURSERY OPENING

Our brand-new **Raising Explorers Nursery** is officially open, and it's already buzzing with joy and excitement! Catering for children aged **0–5 years**, we're proud to provide high-quality care while following the **EYFS** curriculum, ensuring every child gets the very best start on their learning journey.

Open **7am–7pm** all year round (including school holidays), we're here to support both children and families. From building in the construction zone to cooking up fun in the mini kitchen, our little explorers are loving every moment in their new play spaces.

SPOTLIGHT STAR

A big congratulations to our **Star** of the Month: **Habeel Qureshi!** Habeel has shown exceptional behaviour and progress in madrassah and has been proudly nominated by his teachers.

He has been polite, consistently on his best behaviour, and a wonderful role model to those around him. We're so proud of the positive example he has set for his peers keep shining bright, **Habeel!**

CREATIVE CREATIONS

Here at Raising Explorers, the fun doesn't end at the holiday club. Based on the children's feedback and love for hands-on activities, we've launched a new program called **Creative Creations.** These sessions give children the freedom to explore their creativity while developing valuable life skills — and they've loved every moment!

In the first session, they made tasty **chocolate rice Krispy buns**, learning to follow recipes and work as a team. Next came a friendly baking showdown, where they decorated **biscuits with flair,** sharpening both their fine motor skills and imagination. Most recently, they unleashed their artistic side by painting their own **animal masks.**

HOMEWORK SUPPORT

We're proud to share the success of our **homework support sessions!** At Raising Explorers, our dedicated team ensures every child has the tools to excel academically. More than just resources, our playworkers help children build confidence, enjoy their progress, and develop a real love for learning. We're thrilled to be part of their journeys and to celebrate each **achievement** along the way.

SPOTLIGHT STAR

Zynah was a star at our summer camp, bringing positivity and kindness to every activity. From **painting masterpieces** to playing games and enjoying big trips, her energy and enthusiasm lit up the camp.

We're so proud of **Zynah** for being such a fantastic explorer and a true friend to everyone at Raising Explorers!
